EMPLOYEE STORY

Mr. Prabodh Gogri (Depot Manager, Ghuma, Ahmedabad)

I started my career with Navneet in 1976 at Gomtipur, Ahmedabad by being a part of the sales department which was headed by the visionary Shri Shantibhai Gala. I was only 16 years when I had joined Navneet, though I lacked professional education the team delegated work to me for different functions which included binding and folding department. Being an active member of the Shakti Offset Press I also learnt technical aspects of the Varnish Machine.

In 2 years with Navneet, I found my Godfather in Shri H.R. Gala, also known as Shri Chhotubhar Gala. Under his mentorships, I was honored to learn functions like maintaining accounts, operational work related to post, writing and maintenance of financial bills and dispatch activities in Sales Department.

Under Shri H.R.Galas guidance, within 6 years I was offered the position as the head of the Order department which became a breakthrough in my career. For 9 years I worked at the Gala Tower, Memnagar,

including 2 years in Baroda where I was heading the Sakarda Sales Depot. Ever since then, Shri Chhotubhai Gala has been my role model, who I looked upon as a friend, philosopher and guide. Shri Chhotubhai Gala was not only a great business leader but also a grounded human being from who I learnt the art of being patient and perseverance. I will always remain grateful to him for believing in me and giving me a great start to my career.

In 2002, I received another remarkable opportunity, where I became a Depot Head in Ghuma. As a depot head, I faced many challenges as I was involved in leading 160 employees starting from logistics, dispatch, transport to operational activities which included, housekeeping, security, canteen etc. I am extremely grateful to Navneet for believing in me and allowing me to lead a team and giving me the responsibility for managing the dispatch for entire Gujarat. Shri Chhotubhai Gala ensured clients should receive the goods within 24 hours, despite which area they resided in Gujarat. In spite of being a challenging task, it truly reaped a lot of benefits. Personally, one of the most incredible things I like in Ghuma is the huge garden space which helped me develop my hobby in gardening.

One of the intriguing decisions back then was to involve our team in maintaining relationships with clients. This led our team to travel in Gujarat and meet clients and understand their buying behavior. This move helped a lot in satisfying customer needs and making them loyal to our brand. Being a part of Navneet for 44 years it has taught me many principles of marketing management.

I thoroughly enjoyed my journey in the education department and am ready to take up another set of challenges and responsibilities with Shri Rajubhai Gala. I value his vision of being innovative in making decisions. He is the one who is a risk-taker and adaptable to changes. My 44 years with Navneet and Gala Family have been truly profound and wonderful. This journey wouldn't have been better without guidance and support from Shri S.R. Gala, Shri N.N. Shah, Shri Sandeepbhai Gala, and Shri Kalpeshbhai Gala and the entire Gala Family. Today, I am privileged to work with Archit Bhai. I am truly honored to work with three generations of the legendary family. I feel obliged that not only me but even my family is respected and treated as a part of their family. It is an association with Navneet and the Gala Family, professionally, personally and socially where I have received the identity of my own with tremendous respect from the society. Last but not least, I am grateful and obliged to every team member I have worked within Navneet Education and thank them for lending me great support and being with me through thick and thin.

I inherited the values of social service, being sensitive towards plants and animals, having good family values, honesty and integrity from the members of the Gala Family. I have always felt every employee is treated as a part of one big family. This feeling has emerged because no matter what, this organization has always stood for all the employees professionally, financially, socially and personally.

I wholeheartedly wish Navneet all the success and prosperity forever. I am looking forward to a blissful journey ahead with my Navneet family.

MANAGEMENT LESSON

you can't please everyone

An old man, a boy, and a donkey were going to town. The boy rode on the donkey and the old man walked. As they went along, they passed some people who remarked it was a shame the old man was walking, and the boy was riding. The man and boy thought maybe the critics were right, so they changed positions.

Later, they passed some people who remarked; What a shame; he makes that little boy walk.

They then decided they both would walk!

Soon they passed some more people who thought they were stupid to walk when they had a decent donkey to ride. So, they both rode the donkey. Now they passed people who shamed them by saying how awful to put such a load on a poor donkey. The boy and man said they were probably right, so they decided to carry the donkey. As they crossed the bridge, they lost their grip on the animal, and he fell into the river and drowned.
